Dear Mrs. Manley:

Received your letter of April 14.

I shall list down Friday May 12⁵ for the Black Yankees at Ruppert Stadium.

I am now waiting to hear from the people in Massachusetts about their open dates. As soon as I get word then I will try to work out something.

I am not definitely sure yet but I think Bushwick will open sometime in the week of June 4. I should have definite word within a few weeks.

Sorry but I don't have a picture of "Showboat" Thomas. Possibly Dan Furley or Joe Bostic could let you have a copy.

Anything new on the East Orange dates? Particularly May 26.

Very truly yours,

W. A. Leuschner
